

reusable / ri: 'ju:zəb(ə)

Noun

Something is reusable if it can be used more than once

You can either wash or wipe down your GIPskins Protective Arm Sleeves, each time that you use them. They are intended & designed to be reusable*

*Single Use PPE is not intended, or designed to be reusable

Think #SAFETYWhileCARING

PPE (Personal Protective Equipment)

Is any device or appliance designed to be worn by an individual for protection against one or more health & safety hazards
